

A landscape photograph showing a wide valley. In the foreground, there is a sandy and rocky ground with scattered fallen branches and some sparse green vegetation. A large, fallen log lies horizontally across the middle ground. In the background, a calm pond is surrounded by tall, dry grasses. Beyond the pond, a dense forest of tall, thin trees stretches across the horizon. The sky is filled with heavy, grey clouds, suggesting an overcast day. Two large, dark green pine trees are visible on the left and right sides of the frame, framing the central scene.

260219 Dwingelderveld

A landscape photograph showing a wetland area. In the foreground, there is a dense field of tall, dry, golden-brown grasses. A small, calm pond is situated in the middle ground, surrounded by more grasses. The background features a line of trees, including some evergreens and bare deciduous trees. The sky is filled with heavy, grey clouds, with a small patch of blue visible on the right side.

260119 't Gasselerveld

A winter landscape photograph. The foreground is dominated by bare, dark tree branches and dense, brown brush. A layer of snow is scattered across the ground, particularly in the lower half of the frame. In the middle ground, a large, flat field is covered with a thin layer of snow, revealing patches of green grass. The background is hazy and misty, with more trees and a faint outline of a building or structure. The overall atmosphere is cold and overcast.
